

Hi Reg

Tom and I just wanted to say a big thank you to you and your team for our fabulous garden makeover. We are so pleased that we have to keep checking out the window that the wilderness that was our garden is gone and that we now have a beautifully designed and smart looking extra room for our home. Your team were so professional, hard working and generally nice to have around and it was obvious that you put your heart and soul into your work. We wouldn't hesitate to recommend you to anyone - both for the fabulous decking that you gave us and for the garden itself. Thanks Reg.

Kind regards

Dale and Tom
